

## Chapter 4. Nouns

### Exercise 1. Underline all the nouns in the following story:

Some hens were living in a house. They fell ill. A cat heard about them. He put on the clothes of a doctor, took a bag in his hand and went to see them.

"Dear little hens," he said, "the rabbit has told me that you are not well. I have come to give you medicine. Please open the door."

But the hens were clever. They said, "Thank you very much. But we shall get well sooner if you go away from here. Please give your medicine to the dog."

### Exercise 2. Draw lines to match the people with the places where they work:

#### People

1. artist
2. baker
3. blacksmith
4. doctor
5. farmer
6. grocer
7. mechanic
8. scientist

#### Places

- a. clinic
- b. grocery
- c. laboratory
- d. garage
- e. bakery
- f. studio
- g. field
- h. forge

All the sixteen words are **nouns**. They are the names of persons and places.
