Exercise 2. Insert **a, an or the** where necessary:

Mr Somani was eminent industrialist. He manufactured wide range of household appliances in his factory. He also produced variety of cellphones. He owned big house which had excellent elevator. But Mr Somani never used elevator. He would prefer to use stairs even if he had to go to topmost floor of house. He said using stairs gave him few extra minutes to think about day's activities. In evening, it gave him time to analyse his work. Besides, he found climbing up and down stairs useful exercise.
