

Chapter 10. Adverbs

Exercise 1. Complete the following sentences by putting the parts given in the brackets in the right order:

1. The children ran (around the field, fast)

2. The students sat (all morning, quietly, in their classroom)

3. The Principal went through the file (later in the day, carefully)

4. It snowed (last evening, heavily, in the Kashmir valley)

5. She answered all the questions (confidently, yesterday, at the interview)

6. She danced (last week, gracefully, at the concert)

7. He spoke to us (on our way to school, rudely, in the morning)

8. The boy chased the goats (when he saw them eating his plants, angrily, out of his lawn)

9. A robbery took place (in the afternoon, in the TDI Mall, at 4 o' clock)

10. The car knocked against the divider (accidentally, while it was overtaking another vehicle, a few minutes ago)

Exercise 2. Correct the following sentences:

1. He does not know probably how to handle this machine.

2. We are fairly late. We should better hurry.

3. She hasn't learnt to drive a car still.

4. I met him four weeks before.

5. We only rented this house for a year.

6. I have not been here too long to have many friends.

7. He drank quickly his coffee and began to work.

8. Anurag is 18 but he already behaves like a child.

9. I know him rather well. I can talk to him frankly.

10. We are living in the same house still.
